

CHINA ECONOMY PRESENTS:

He Bei

8th of July, 2011.

INVITATION

Budapest China Mart (BCM) and **ChinaCham Hungary Magyar-Kínai Gazdasági Kamara** invite you to participate in the Hebei Business Forum.

The objective of the event is to strengthen commercial development and manufacturing cooperation between Chinese and European companies.

There will be 21 companies from Hebei province from different industrial fields such as:

- Car Parts (iron castings, circuit breakers, injectors, starter motors)
- Machinery parts (tracks, rollers, etc.)
- Radiators, water heaters
- Wire Mesh
- Pharmaceutical and biochemical products and equipments
- Fur, textile and clothing products
- Synthetic diamond products
- Glass products (cups, bottles, pitchers, gauges)
- Wood Furniture (Redwood)
- Work safety products (PVC gloves)
- Food industry products

Date & time:

8th of July, 2011. 10.00 – 14.00

Programme:

10.00 – 10.30: Registration
10.30 – 11.00: Welcome speeches
11.00 – 12.00: Business Forum
12.00 – 12.30: Lunch break
12.30 – 14.00: Business Forum

Location:

Budapest China Mart
1152 Budapest
Szentmihályi út 171.

The aim of the meeting is to maintain and develop the commercial and economical relationships, between Hungary and People's Republic of China. In order to achieve these targets, we organise meetings and exhibitions, we help with legal issues, courses, trainings, and other professional services.

Budapest China Mart (BCM), as a wholesaler center provides a business platform for both Chinese and European businessmen to establish and maintain connections. The exhibition area, representative offices and localisation services support companies to market entry, business development, forums and trainings.

We do believe the forum has raised your interests and with your presence you help the development of Chinese-Hungarian relationship.
